ENGAGE YOUR IMAGINATION

Gain insight into one of the Bible's most confusing, and controversial, books. See how John's first readers would have understood his apocalyptic visions as well as how others have interpreted these visions throughout church history. Trace Revelation's expansive allusions throughout the Old and New Testaments so you can decide what you believe about the letter's "end times" signs and symbols. In the end, walk away with a clearer understanding of how John's images bolstered the faith of the churches he loved and how they can fortify your own faith today.

EXPERIENCE
